

State UCR Audit – Flow Chart

Using the data supplied from Registration System:

Sign into UCR (www.ucr.in.gov) - Under Reports and go to *Vehicle count audit by state*

Copy and paste data to the audit records tab of the UCR Audit List Template.

Motor Carriers are sorted into UCR payment categories B - F based on the number of commercial motor vehicles listed in the Motor Carrier Management Information System (MCMIS).

The vehicle categories E and F are audited at 100% and the vehicle categories B, C and D are audited at 3%.
